

One-to-One Positive Discipline in Everyday Parenting in Your First Language in Your Home

“Positive Discipline” describes a non-violent approach to teaching our children, while being respectful of the child as a learner and individual human being

Mosaic is offering a limited number of 1-1 Positive Discipline in Everyday Parenting programs done by our trained Peer Mentors in the homes of newcomer parents in their first language. A childcare worker can accompany the Peer Mentor on the home visits to engage with the children while the parent(s) learns about Positive Discipline. The parent(s) will receive 8 two-hour sessions scheduled at a time convenient for them. Applications will be reviewed as we receive them.

The languages our facilitators can do this program in are as follows:

1. Amharic	10. Korean	19. Somali
2. Arabic	11. Malay	20. Spanish
3. Armenian	12. Mandarin	21. Swahili
4. Bengali	13. Nepali	22. Tagalog
5. Dari	14. Oromo	23. Tamil
6. French	15. Pashto	24. Tigrigna
7. Karen	16. Portuguese	25. Ukrainian
8. Kinyarwanda	17. Punjabi	26. Urdu
9. Kirundi	18. Russian	

Please note:

- We are looking for participants who would benefit from this program, but we aren't able to accommodate families in crisis.
- Our peer mentors are trained as parent educators and not as counselors.
- Please use the application form to refer potential candidates for the program.

*** Because we have a very limited number of spots, priority will be given to parents/caregivers who are not able to participate in one of Mosaic’s Positive Discipline in Everyday Parenting group programs. Group programs are offered year-round at various locations across the city. For more information on our group programs, please refer to our website.**
